Forward Looking Statements

This news release contains forward-looking statements that relate to, among other things, the Company’s objectives, goals, strategies, intentions, plans, beliefs, expectations and estimates. These forward-looking statements include, among other things, statements relating to the payment of dividends. These forward looking statements are based on certain assumptions, including continued ability to pay dividends, and are subject to risks, uncertainties and other factors which may cause results, performance or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements, and undue reliance should not be placed on such statements.

Important factors that could cause actual results to differ materially from these expectations include failure to continue to generate sufficient cash flow to pay dividends and the other risk factors listed in the Company’s Annual Information Form under the heading “Risk Factors” and in the Company’s MD&A under the heading “Business Environment and Risks”, many of which are out of the Company’s control. These other risk factors include, but are not limited to, the ability of the Company to sell advertising and subscriptions related to its publications, foreign exchange rate fluctuations, the seasonal and cyclical nature of the agricultural industry, discontinuation of the Department of Canadian Heritage’s Canada Periodical Fund, general market conditions in both Canada and the United States, changes in the prices of purchased supplies including newsprint, the effects of competition in the Company’s markets, dependence on key personnel, integration of newly acquired businesses, technological changes, tax risk and financing and debt service risk.

The forward-looking statements made in this news release relate only to events or information as of the date on which the statements are made. Except as required by law, the Company undertakes no obligation to update or revise publicly any forward-looking statements, whether as a result of new information, future events or otherwise, after the date on which the statements are made or to reflect the occurrence of unanticipated events.
